ALL-COUNTY LETTER NO. 85-45

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: IHSS INCOME ELIGIBLE IRWE DISREGARD

REFERENCE:

The purpose of this letter is to notify the counties of a change in the Code of Federal Regulations (CFR) impacting income eligibility determinations for In-Home Supportive Services (IHSS).

Statute (Welfare and Institutions Code (W&IC) Section 12304.5) links IHSS "income eligibles" to Title XVI of the Social Security Act income criteria. "Income eligibles" are those recipients who would qualify for Title XVI Supplemental Security Income/State Supplementary Program (SSI/SSP) payments, except for excess income. Title XVI SSI/SSP income criteria is regulated in 20 CFR - Employees' Benefits, Part 416. The Manual of Policies and Procedures (MPP) 30-770.2 refers to 20 CFR, Part 416 for the location of detailed eligibility standards.

The State Council on Developmental Disabilities has received reports that some counties have expressed reluctance to implement 20 CFR, Part 416 changes without specific instructions to do so from the State Department of Social Services (SDSS). As a reminder, MPP 30-770.2 provides counties the authority and responsibility to apply all provisions of 20 CFR, Part 416, unless specifically modified by MPP beginning with Section 30-750. Applicable portions of 20 CFR, Part 416 need not be restated by SDSS to be implemented in IHSS income eligibility determinations.

A specific change in 20 CFR, Part 416 to be implemented immediately, if you have not already done so, concerns Impairment Related Work Expenses (IRWE) as earned income disregards for disabled (not blind) under age 65 IHSS income eligibles. After applying earned income disregards in MPP 30-775.434(a), any qualifying IRWE of disabled persons, which has not already been disregarded, is to be disregarded as earned income. The IRWE in the amount of ordinary and necessary expenses related to work activity, only to the extent that they are paid, are to be disregarded (deducted) as income. Categories of IRWE are payments for:

- 1. Attendant care services
- 2. Medical devices
- 3. Prosthetic devices
- 4. Work-related equipment
- 5. Drugs and medical services
- 6. Similar items and services
- 7. Installing, maintaining, and repairing deductible items in 2, 3, 4 and 6 above.

This change was effective for IHSS purposes May 16, 1983. More detailed information on IRWE can be found in 20 CFR, Part 416.976. IRWE of the disabled are to be deducted in the same manner as work expenses of the blind as "other earned income deductions" on the SOC 294A (IHSS Income Eligibility - Adult) and the SOC 294C (IHSS Income Eligibility-Child). On the SOC 310 (Statement of Facts For IHSS), IRWE of the disabled can be associated with item 14 dealing with blindness and stated in item 18 as additional information (see attached examples). The SOC 310 form is currently in the process of revision and IRWE is to be added as a separate category.

Disabled income eligibles with earned income are to be made aware of IRWE disregards when completing the SOC 310. Current IHSS "income eligible" cases should be reviewed to assure disabled recipients have been granted any IRWE disregards they are entitled to.

If you have any questions regarding the IRWE income disregards for IHSS disabled income eligibles, please contact your Adult and Family Services Program Operations Consultant at (916) 322-6671.
